XII. The principal Officer in charge of the Customs at the Port of embarkation or of destination, or any person authorized by him, shall be at liberty at all times to enter and inspect any Passenger Vessel, and the fittings, provisions, and stores therein; and whoever impedes such entry or inspection, or refuses to allow of the same, shall be liable to a fine not exceeding fifty Rupees.

**XIII.** If any Native Passenger in any Ship shall be landed at any Port or place other than the Port or place at which he may have contracted to land, unless with his previous consent, or unless such landing is made necessary by perils of the sea or other unavoidable accident, the Master shall for each offence be liable to a penalty not exceeding two hundred Rupees.

**XIV.** Nothing in this Act contained shall take away or abridge any right of action which may accrue to any Native Passenger, or to any other person, in respect of the breach or non-performance of any contract made with the Master or Owner of the Ship or his Agent.

**XV.** All offences against this Act shall be punishable in a summary manner by a Magistrate. If the person directed to pay any penalty is the Master or Tindal of a Ship, and the same is not paid at the time and in the manner prescribed by the order of payment, the Magistrate may, in addition to the means prescribed by law for enforcing payment, direct by warrant the amount remaining unpaid to be levied by distress and sale of the said Ship, her tackle, furniture, and apparel.

*A Bill to provide for the good order and discipline of the Battalions of Military Police.*

WHEREAS it is expedient to provide for good order and discipline in the Battalions of Military Police entertained under the Governments of Bengal and of the North-Western Provinces. It is enacted as follows:—

I. For the better regulation of discipline and the maintenance of good order in the Battalions of Military Police entertained under the Lieutenant-Governors of Bengal and the North-Western Provinces, all Native Officers, Non-Commissioned Officers, and Privates attached to or serving with those Battalions, shall be subject to the provisions of this Act, and on the commission of any of the offences enumerated in the Table annexed to this Act, to be tried as hereinafter directed. Provided that if any Battalion or part thereof, in time of war or when employed against any persons in arms hostile to the Government,

shall be placed under the orders of any Officer Commanding the Military Forces of the Government, it shall be competent to this Officer to direct all persons attached to the Battalion of Military Police to be held amenable to any Articles of War that shall be in force among the Troops under his command so far as the same shall be applicable.

II. The cognizance of the commission of any of the offences enumerated in the Table annexed to this Act which shall be charged against any Officer, Non-Commissioned Officer, or Private of a Battalion of Military Police, is vested in the Commanding Officer of each Battalion who, if he find sufficient grounds for a trial, shall try the offender as provided in this Act.

III. All Officers, Non-Commissioned Officers, and Privates of Police Battalions shall be amenable to the ordinary Courts of Criminal Jurisdiction of Magistrates with respect to any offence of which a Magistrate may take cognizance; and it shall be competent to the Commanding Officer of a Police Battalion in any case which he may try under this Act and which is also triable by a Magistrate, instead of trying the offender, to report the circumstances for the information of the Magistrate having jurisdiction in the matter. When in any case a Magistrate is certified that an offence committed by an Officer, Non-Commissioned Officer, or Private of a Police Battalion is under trial by a Commanding Officer empowered under this Act to try the same, he shall stay his own proceedings.

IV. When a Commanding Officer finds ground for the trial or investigation of any offence, he may direct the arrest or confinement of persons charged. Any Officer or Non-Commissioned Officer, to be placed under arrest; if a Private to be placed in confinement.

VI. If any person not amenable to this Act when duly summoned to appear as a witness shall not appear, or appearing shall refuse to give his evidence, the default or recusancy, as it may be, may be notified to the Magistrate having jurisdiction in the place where the trial is held under this Act, and the Magistrate shall be competent to deal with the case as if the default or

recusancy had occurred in any matter pending before himself.

VII. When a Commanding Officer shall be of opinion that any Officer, Non-Commissioned Officer, or Private charged with the commission of any of the offences enumerated in Article I of the

annexed Table is guilty, and that a sentence of two years' imprisonment with or without labor, and in the case of Non-Commissioned Officers or Privates with or without stripes, is inadequate to the offence, he shall commit the prisoner for trial before the Sessions Judge of any District in which the investigation may have been held, and the Sessions Judge shall try the prisoner as in ordinary cases provided. If the Sessions Judge convict the prisoner, he shall pronounce such sentence as he may think fit: but no sentence of death shall be

IX. When a Commanding Officer shall convict a person under trial, he shall pronounce such sentence as he may consider adequate to the

offence committed, within the limits of the punishments prescribed in the annexed Table: but whenever the sentence pronounced shall in the case of Officers exceed simple imprisonment for or the forfeiture of pay for one month in the whole; or, in the case of Non-Commissioned Officers or Privates shall exceed six months' imprisonment with labor or with fifty stripes--the trial shall be referred for the confirmation of the Inspector or Commissioner as aforesaid; and it shall be competent to the Inspector or the Commissioner in any such case to confirm or mitigate the sentence imposed or to acquit the prisoner.

XI. No Officer, Non-Commissioned Officer, or Private shall be dismissed except with the sanction of the Inspector or the Commissioner of Military Police, and in the case of an Officer except with the sanction of the local Government.

XII. When a Commanding Officer shall sentence a Non-Commissioned Officer to corporal punishment, he shall at the same time order him to be reduced to the ranks, unless the sentence include dismissal.

XIII. When a Commanding Officer shall convict any Non-Commissioned Officer of any of the offences enumerated in the annexed Table, it shall be competent to him to reduce the offender to a lower grade or to the ranks, in lieu of or in addition to the punishment which he may inflict; but whenever the sentence is required to be confirmed by the Inspector or Commissioner aforesaid, the order for the reduction of the prisoner shall be subject to the same confirmation.

XIV. When a Commanding Officer shall convict a Non-Commissioned Officer or a Private of any of the offences enumerated in the annexed Table, he may order the offender to be dismissed in lieu of or in addition to the sentence which he may inflict.

XIX. If a Battalion of Military Police or a party thereof be detached on duty beyond the limits of the Government to which it belongs, the jurisdiction vested in Commanding Officers of Battalions and in other Officers under Sections II and XVI of this Act may be exercised in any place, district, or province in which the said Battalion or party may be employed.

His Excellency the Right Hon'ble the Viceroy and Governor General held a Durbar this day for the reception of the Maharajah of Punnah and the Chiefs and principal residents of the Meerut Division of the North-Western Provinces, and of the Delhi and Hissar Divisions of the territories included in the Lieutenant-Governorship of the Punjab.

The under-mentioned Chiefs and Native Gentlemen had private audiences of His Excellency:—

The Maharajah of Punnah.

The Chief of Patowdie.

The Chief of Loharoo.

The Chief of Dojanah.

Seth Luchmie Chund Rao Buhadoor.

The Nawab of Kurnal.

The Maharajah of Punnah received on arrival and departure a salute of 11 guns.

The Viceroy was pleased to inform the Maharajah that in consideration of his loyalty to the British Government and of the services rendered by him during the rebellion, the British Government would, in the event of failure of direct heirs, recognise the privilege of adoption according to the ancient custom of the Punnah State.

Afterwards the above-mentioned Chiefs and the other Native Chiefs and Gentlemen, together with the principal Civil and Military Officers of the Station, being assembled in General Durbar, the Viceroy and Governor General accompanied by the Right Hon'ble James Wilson, Fourth Ordinary Member of Council, entered and took his seat under a Royal Salute.

Each Native Chief and Gentleman having been introduced to His Excellency, and their customary tribute and offerings having been presented and accepted, Khilluts were bestowed on all according to their rank.

The Maharajah of Punnah received as a reward for loyal services during the rebellion a Khillut of the value of Twenty Thousand Rupees (20,000) and the honor of an hereditary salute of 11 guns.

In announcing this reward the Viceroy expressed his regret that owing to the state of affairs in Bundelcund, the Maharajah was unable to attend the Durbar at Cawnpore, and that he should now have had the trouble of coming so far for the purpose; but His Excellency was glad to avail himself of the opportunity to thank the Maharajah publicly for his services, especially in saving the lives of Christian subjects of the Queen, and in giving assistance to Her Majesty's troops in the recent operations under Brigadier Wheeler.

To other Chiefs and Gentlemen who had already been rewarded for their services to the British Government by the bestowal of titles, His Excellency presented the usual Sumnuds of investiture.

After the customary concluding ceremonies, the Viceroy and Governor General left his seat under a Royal salute, and the assembly broke up.

In the afternoon, His Excellency, accompanied by the Secretary to the Government of India and by the Officers of His Excellency's personal Staff, paid a return visit to the Maharajah of Punnah.

His Excellency was met by the Maharajah at some distance from His Highness' residence, and received on arrival and departure a Royal salute.

The usual offerings having been presented and accepted, and the customary ceremonies observed, His Excellency retired.

## Opium Notification.

NOTICE is hereby given, that on Monday, the 9th January 1860, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms at Calcutta, and sold by Public Auction, for exportation by Sea, the under-mentioned quantity of Opium, the Provision of 1858-59, subject to the following conditions, viz. :—

Produce of Behar Agency	..	Chests	1,270
Ditto of Benares ditto	...	"	510

Total Chests ... 1,780

## Conditions of Sale.

1. The Opium will be sold for exportation by Sea only, and no Certificate will be granted, except to cover such export.

2. The Opium will be ordinarily offered for sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12 of the Conditions of Sale.

3. The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the Sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of, or if the quantity of 1,780 Chests shall not be sold on the day advertised, the Board may dispose of the lots which remain on hand at a future Sale.

4. Each lot to contain Five Chests.

5. A deposit in a Promissory Note, either for 25 per Cent., even money of the amount for which each lot is knocked down, or for Rupees 1,000 at the discretion of the Officer superintending the Sale, shall be made by the purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Saturday, the 14th January, or on the other hand failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such Conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th January, will be

placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 11th January will be afterwards accepted.

8. The Opium now advertized for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first bona fide bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

15. The following papers together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue.

No. 1, Certificate of the Opium now advertized for Sale.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, *viz.*, two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. The Board however reserve themselves the right of altering these dates should circumstances render it expedient to do so :—

19. It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated 7th March 1815, quoted above, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for sale at the twelve Sales in the months of January, February, March, April, May, June, July, August, September, October, November and December 1860, these shall be delivered to them at the average of the particular Sale or Sales to which the opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisitions for the whole of the Opium required by them during the year within 30 days after the publication of this advertisement specifying the particular Sale or Sales from which, the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above mentioned the entire quantity of about 21,361\* Chests

of Behar and Benares as above estimated will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity vertized for sale at each or any of the twelve sales above mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held previously for the purpose.

Article 6th.—“ With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred

“ Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood, that, if the quantity of Opium applied for, at any one time, shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests hereinbefore mentioned. The requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after Notice of the intended Sales shall have been published in the *Government Gazette*.”

7. No tender of money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed deposit may not have been made before 4 o'clock of the 14th January will be afterwards accepted.

8. The Opium now advertised for sale shall be paid for within 15 clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 1 P. M. of Tuesday, the 24th January 1860, and in case any lots of such Opium shall not be so paid for and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or Rupees 1,000 for each lot, or any Public Securities that may have been deposited on account of such lots or chests shall be forfeited, and the Opium be disposed of on account of Government, at such time and in such manner as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out certificates or orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase which they may desire to be included in each certificate or order, and it is to be clearly understood that the certificates or orders so taken out shall be considered final, and not afterwards changeable for other certificates or orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less, than the number of lots or chests originally required to be included in each certificate or order.

10. No Sub-Treasurer's Receipts, or deposit of Public Securities under the fifth of the present Conditions, will be received in this Office except from the party recorded as the purchaser in the Sale Book or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchasers, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the Sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual, unless such individual shall on demand, tender at the time a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to 25 per Cent., even money of the amount so bid, or to Rupees 1,000 for each lot.

12. With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government superintending the Sale shall be competent at any time during the Sale to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually, until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described, shall be held and declared to be

the purchaser of the said lot, and the Officer of Government superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 400 Rupees specified in the 2nd Clause of these Conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions, any number of lots of the same Agency Opium to the extent of twenty-five lots, provided always that there remain a sufficient number of lots of that Opium to complete the said twenty-five but not otherwise.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every plea and pleas to the Jurisdiction of the said Supreme Court shall be waived.

No. 2, Report of the examination of such Opium.

16. The public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1858-59, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the Chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta may be seen on application at the Office of the Junior Secretary to the Board of Revenue. Four Chests of Behar and Benares Opium, viz., two of the season's provisions under Sale, and two of the previous season will be also shown to the purchasers at the Exchange Rooms on the day of Sale, to enable them to judge of the state of preservation in which the drug was kept.

17. Any further information respecting weight or quality of the Opium advertized for Sale that may be desired by parties, connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue, but in accordance with established usage, under no circumstances, the Board will entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, obstruction of Opium, or adulteration of the drug, which may be preferred on reference to Chests after the Sale and delivery of Opium for shipment.

18. The public are hereby informed that in addition to the quantity above mentioned for sale in January, the following quantities more or less of Behar and Benares Opium of 1858-59 will be brought to sale in the year 1860, on or about the dates specified below. 3rd.—The Packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment or vellum (to the exclusion, however, of letters whether sealed or open) and the books or other publications, prints, maps, &c., may be either printed, written or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto.

4th.—The Packet must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such Packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

5th.—No Book-Packet can be received if it exceeds two feet in length, width, or depth.

6th.—Any Packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written or printed in it or upon its cover will be charged with Letter Postage.

7th.—If a Packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the Packet, charged with full Postage as an unpaid letter.

together with an additional Book-rate; that is, with the Postage chargeable on a Book weighing not more than half a lb the remainder of the Packet, if duly pre-paid with Stamps, will then be forwarded to its address.

8th.—If a Packet be not sufficiently pre-paid with Stamps but nevertheless bear Stamps equal to a single Book-rate, it will be forwarded charged with the deficient Book-Postage together with an additional Book-rate; but any Packet which shall not bear Postage Stamps equal to a single Book-rate will be detained and charged with the Letter Postage.

9th.—No Book-Packet weighing more than three lbs can be sent to or from the East Indies or to New South Wales.

10th.—The Colonial Book-Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

11th.—In no case can a Book-Packet be sent to the Colonies (except at the letter rate of Postage,) through a Foreign Country.

SPECIAL Notice is directed to the subjoined Clauses of Rules, the want of attention to which has occasioned the Post Office much inconvenience.

2nd.—A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd.—Under Section XXIII., of Act XVII. of 1854, Forward Postage will be charged in addition to all other Postage due or paid thereon upon every letter without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th.—The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

THERE is only one delivery of letters at the General Post Office on Sundays, and Banghy Parcels are neither received nor despatched on that day.

LETTERS and Newspapers despatched to and from the United Kingdom by private Vessels are liable to the following rates of Postage which must be pre-paid by Stamps:—

	Rs.	As.	Pie.
Letters not exceeding $\frac{1}{2}$ oz. in weight	0	4	0
Ditto exceeding $\frac{1}{2}$ oz. but not exceeding 1 oz.	0	8	0

And so on adding 8 annas for each oz. or fraction thereof which includes Inland Postage.

Newspapers not exceeding 1 oz in weight, 1d. or 9 pie must be pre-paid in cash, and no Inland Postage is required upon such papers.

Parcels conveyed by the above opportunity for the United Kingdom are liable to Letter rates of Postage.

### Notice.

THE following Extract of an Order of the Government of India, No. 884, of the 13th July 1855. —

“ No Public Officer is authorized to send Covers on the Public Service by Post, without payment of Postage, unless he is at the time on active duty and in charge of the Office by virtue of which the privilege is enjoyed. All letters superscribed as ‘on the Public Service only’ must, even though the Postage thereon be not paid, be received and opened by the Officer to whom they are addressed, but if any such, or partially paid letter so superscribed, and addressed to any Officer except a Secretary to Government be found when opened, to relate to the private affairs of the Sender, the Postage will be debited to him and he will be further liable to be dealt with under Section XLVII., Act No. XVII. of 1854.

His Honor in Council further directs that unpaid or insufficiently paid letters addressed to any such Officer or Department and not superscribed “on the Public Service only” be refused, or if opened that it be at the risk and cost of the opener.”

LETTERS arriving at the Presidency Towns, by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address; such changes will be left to be discovered by the Delivery Officers, and be corrected in the forward and unclaimed Departments of the Office.

Forward Postage will be charged in addition to all other Postage due or paid thereon, upon every letter, without exception, which may be re-directed in the Post Office.

Letters, &c., received by the Steamer will be delivered at the Window of the Post Office only to parties who have registered their names. Applications to the Post Office on the day of the Steamer's arrival to intercept and re-direct letters, &c., cannot be attended to, as they are found not only to impose much labour but seriously retard the delivery and despatch of the Mails.

ALL Banghy Parcels being registered before despatch it is needless to have a Banghy Parcel specially registered by payment of the Fee of 4 annas as no additional precaution can be taken of a specially Registered Parcel which is not taken in the case of every ordinary Banghy Parcel.

UNDER the orders of Government, no fourth delivery of letters by the Post Office is allowed. Mails which are received by Steamers from Suez at so late an hour in the day as not to admit of the letters being taken out for delivery by 6 P. M. are detained till the following morning, but parties who have registered their names under the usual fee, are entitled to receive their letters and Marseilles Newspapers so soon as the Mails are sorted, and which is generally about 2½ hours after receipt of the Mail, at the Post Office

THE order exempting Officers with the Army from the payment of forward Postage will cease to have effect from the 1st May 1860, by the Orders of Government.

Forward Newspapers —Extra or Forward Postage is chargeable on every Newspaper re-directed at the Post Office of original address and forwarded to another Post Office.

MAILS for Akyah, Rangoon, and Moulmein are made up on the 3rd and 19th of each month, for transmission by the Contract Steamers or by Government Vessels, which sail on the morning of the 4th and 20th, unless the Contractors choose to postpone the departure for 18 hours, of which they have the power on making a requisition.

*Notifications.*—The Governor General is pleased to appoint Lieutenant W. G. Ward, 36th Regiment Madras Native Infantry, to officiate as Assistant to the General Superintendent of the operations for the Suppression of Thuggee at Jubbulpore.

No. 900.

It has been brought to the notice of the Governor General that Public Officers in some parts of India are in the habit of overdrawing their accounts with Native Bankers and other persons residing, or carrying on business, within the limits of their jurisdiction.

This practice is entirely opposed to the orders of the Government, and is expressly prohibited by Section III., Regulation VII., 1823 of the Bengal Code.

This Section is now re-published for general information and guidance :—

"All Judges of Zillah and City Courts, all Magistrates, Joint Magistrates, Registers and Assistants to Magistrates, all Collectors and Deputy Collectors of the Land Revenue, all Assistants to such Collectors or other Officers, exercising the powers of such Collector, are prohibited, under pain of dismissal from office, from borrowing money from, or in any way incurring debt to, any Zemindar, Talookdar, Ryot, or other person possessing real property, or residing in

"or having a commercial establishment within the City, District, or Division, to which their authority may extend."

Officers politically employed were prohibited by the Orders of the Government of India, dated the 22nd March 1845, from borrowing money of, or lending money to, any Natives of India resident within their respective political circles.

The Governor General now calls the attention of all Officers of Government, employed in any civil or political capacity, in any part of India, to these express prohibitions, and warns them that by any infraction thereof, whether by overdrawing accounts with Bankers, or in any other way, they will incur the severe displeasure of the Government.

Residents, Agents, Commissioners and other Controlling Officers, will be held responsible for checking any departure from the strict letter of this order, on the part of their Subordinates.

*Camp Delhi, the 31st December 1859.*

*Notifications.*—The Governor General is pleased to appoint Lieutenant W. G. Ward, 36th Regiment Madras Native Infantry, to officiate as Assistant to the General Superintendent of the operations for the Suppression of Thuggee at Jubbulpore.

No. 900.

It has been brought to the notice of the Governor General that Public Officers in some parts of India are in the habit of overdrawing their accounts with Native Bankers and other persons residing, or carrying on business, within the limits of their jurisdiction.

This practice is entirely opposed to the orders of the Government, and is expressly prohibited by Section III., Regulation VII., 1823 of the Bengal Code.

This Section is now re-published for general information and guidance :—

" All Judges of Zillah and City Courts, all Magistrates, Joint Magistrates, Registers and Assistants to Magistrates, all Collectors and Deputy Collectors of the Land Revenue, all Assistants to such Collectors or other Officers, exercising the powers of such Collector, are prohibited, under pain of dismissal from office, from borrowing money from, or in any way incurring debt to, any Zemindar, Talookdar, Ryot, or other person possessing real property, or residing in,

"or having a commercial establishment within the City, District, or Division, to which their authority may extend."

Officers politically employed were prohibited by the Orders of the Government of India, dated the 22nd March 1845, from borrowing money of, or lending money to, any Natives of India resident within their respective political circles.

The Governor General now calls the attention of all Officers of Government, employed in any civil or political capacity, in any part of India, to these express prohibitions, and warns them that by any infraction thereof, whether by overdrawing accounts with Bankers, or in any other way, they will incur the severe displeasure of the Government.

Residents, Agents, Commissioners and other Controlling Officers, will be held responsible for checking any departure from the strict letter of this order, on the part of their Subordinates.

*Notification.*—The following Notice, of the Rules and Regulations in force in the Customs Houses of the Spanish Government at the Philippine Islands, is re-published for general information:

*Notice.*—Consulate of Spain in Singapore.

Her Majesty the Queen of Spain, by Royal Ordinance, dated the 29th September last, has directed as follows:—

The Spanish Consuls in every Foreign Country are obliged to make observed the Rules of the

Spanish Custom House, and oblige the Shippers to present Notes and Duplicates of all the Goods that they wish to embark, with the name of the Vessel, Captain, Port of destination, sort of Bales, Goods, Boxes, Barrels, and other Merchandise. They are obliged to put on every thing their marks and numbers, expressing on every Bale, Box, Barrel, &c., its contents. They are obliged to mention the weight, the Merchant consigned to, certifying that all which has been Manifested in the Notes are the true contents of the Packages, without any other thing. The number of Duplicate Notes must be as many as the number of the Consignees or Proprietors of the Goods shipped. In consequence of which the undersigned, Consul for Spain, begs leave to Notify to the Commercial Community of Singapore, that no Ship whatever, either Foreign or Spanish, will be able to trade in any Spanish Port if she has not complied with the Regulations before-mentioned, and belonging to the First Article of the Spanish Custom House Rules. They oblige it to pay to the Spanish Consulate the duties established in the Tariff of the Article No. 7, as follows, *viz.* :—

From one to six Boxes of any size, or Parcels, she may take on board, the sum of Spanish Dollars one, and Cents twenty (\$ 1-20) ; from six to twelve, Dollars two (\$ 2) ; and from twelve to any number whatever, Dollars four (\$ 4).

By the Royal Ordinance, dated the 25th May last, all Merchant Vessels, either national or foreign, large or small, with Cargo or in Ballast, going to any Spanish Possessions, shall have to pay, for every Manifest, Spanish Dollars four (\$ 4) ; consequently the Captain of the Merchant Vessel under the Spanish Flag will have to present his Manifest to the Spanish Consul of this place, and pay the above-mentioned amount, agreeably to the established law, which places on the same footing both Spanish and Foreign Merchant Vessels. The undersigned begs leave to Notify that, in some recent cases, the laws regulating the landing and importing of Merchandise into the Phillippine Islands have been disregarded, therefore this Notice is again given to the Commercial Community and Ship Masters, that no Vessel is allowed to trade at any other Port except to those expressly mentioned, *viz.* :—

Manila,  
Sual,  
Ylvilo,  
Zainboanga.

And should any Vessel act against the Regulations of the Royal Ordinance dated the 29th September last, or against the Royal Ordinance dated the 26th of May of the present year, and to all that has been Notified to the public in the present Notice, and in the three numbers of the *Straits Times* of the months of June and August last, will be amenable to the Spanish Laws in force in all the Dominions of Her Majesty the Queen of Spain.
